

BUS 213 : Business Law II

This course is designed to give the student a comprehensive view of commercial transactions and the Uniform Commercial Code. The effects of international laws on American commerce and business will also be analyzed. Topics to be covered include Article 2 sales, title and risk of loss, negotiable instruments, secured transactions, bankruptcy, anti-trust laws, product liability, consumer laws and import/export laws. (BUS 213 is equivalent of LAW 206).
